PCI Merchant Application

Explain the benefits to Campus resulting from the department accepting credit cards as a means of payment:

Which credit card transaction handling process(es), including procedures for handling refunds and chargebacks, do you plan to use? Check all that apply. Include an explanation of the staff positions involved in the process in the Additional Description section below.

Mechanical imprint machine

Standalone dial-up terminal with telephone connection

Point-of-sale payment system installed on a computer connected to the Internet to transmit cardholder data

Point-of-sale dedicated payment system connected to the Internet to transmit cardholder data

Web payment portal and internet payment gateway (in-house or third-party hosted)

Other - (describe below)

Additional description of card transaction handling process:

Section 5: UCSC Credit Card Merchant Policy Certification

Filling in "Department or Program Name" below, signifies a full understanding and acceptance of all of the terms, conditions, and policies related to being a UCSC credit card merchant:

Enter Department or Program Name:

understands and agrees to operate our credit card merchant operation in full

compliance with terms and conditions described in the UCSC Credit Card Merchant Policy.

Upon review of the request by the Campus Credit Card Coordinator and the Assistant Vice Chancellor – Financial Affairs, the department head will be notified of the determination

Upon approval, a designated merchant department representative will work with the Campus Credit Card Coordinator and the credit card company to obtain the equipment, establish a terminal identification number, and coordinate training of departmental credit card transaction handlers

Section 6: Department Head Authorization

Department Head Signature Department Head Name (print) Date

Section 7: Submit Information
