4.1 ADDRESS CHANGE

Overview

The procedures described in this section are for changing an employee’s home address.

Before Starting

1. Department receives written notification of address change from the employee.
2. Prepare information for data entry.

Notes and Tips

- If the new address does not continue to Line 2, but the old address does, be sure to enter an asterisk (*) on Line 2 to delete the old information.
- Human Resources and Payroll do not know which countries require a Province (Prov) or foreign postal code. Please consult the employee for this information.

Data Entry

Completing the EADD Function

Enter data for the address change via the Employee Address (EADD) function.

Accessing the EADD Function

1. Log on to the Payroll/Personnel System.
2. At the Next Func field, type EEDB and press Enter.
3. Type EADD, employee ID number, and then press Enter. The Employee Address function (EADD) is displayed.
