
7.16 ACADEMIC RECALL

Overview

The procedures described in this section are for processing a recall appointment for an Academic Senate member who retired from the University of California, Santa Cruz.

Policy Summary

Academic Senate members who have retired from the University of California may be recalled to active service on a year-to-year basis, or for periods less than one year.

Any recall appointment for an academic Senate member whose record is still in the EDB is considered “additional employment.”

Any recall appointment for academic employees who are *not* members of the Academic Senate, should be processed using the appropriate Rehire (AREH) or New Hire (AHIR) bundle.

Refer to [Campus Academic Personnel Policies and Procedures \(CAPP\) Section 500.200](#), for general policy and procedure information or to the appropriate VERIP I/II/III reappointment guidelines for VERIP retirees.
